

Important Information for our Valued Customers:

As the impact of COVID-19 has increased around the world and here in North America, I would like to provide you with an update as to the actions we are taking at Florida Wire and Rigging to ensure that you continue to have confidence in us as both a supplier and a partner.

During the week beginning March 23rd, 2020, all non-essential businesses in various counties and municipalities throughout the State of Florida have enacted varying levels of “Stay-at Home” orders in the areas where our service center is located. Florida Wire and Rigging is complying with these orders and that of the Federal Government including social distancing, rigorous sanitization/hygiene practices and encouraging team members who are sick to stay home; practices be implemented.

Our company qualify as “Essential Business” per the State of Florida to the industries we serve. Supporting the construction industry, local municipalities, power utilities, defense, and other industries requires our companies to maintain operations during this time.

Effective March 23rd, 2020, we have reduced operating hours at our location as listed below. The hours for this location is from 8:00 am – 4:00 pm Monday through Friday.

- Florida Wire and Rigging
